5 GOOD REASONS TO DISCOVER THE FONTAINEBLEAU REGION

An Exceptional Forest®

The Fontainebleau forest is recognized by UNESCO as a Natural Biosphere Reserve, unique in its kind, home to over 1,200 animal species and a variety of splendid landscapes.

The true home of kings and emperors

Listed as a World Heritage Site by UNESCO, Fontainebleau Palace is the only one to have been occupied by all the French sovereigns from the 12th to the 19th Centuries : 34 kings, 2 emperors, 1 500 rooms, 8 centuries of French History.

The Imperial Heritage

With its palace, squares and church, Fontainebleau remains a timeless vacation destination.

The French 'Art de Vivre'

Refined gastronomy, outstanding craftsmanship, elegant tableware and cultural liveliness are just some of the qualities that bring such prestige to our region.

The cradle of impressionism

Barbizon, Bourron-Marlotte, Samois-sur-Seine : these are the places where you can discover the world of painters of the Barbizon school, the precursors of Impressionism.
